LIMITED REVIEW REPORT TO THE SHAREHOLDERS OF SAUDI REINSURANCE COMPANY (A SAUDI JOINT STOCK COMPANY)

SCOPE OF REVIEW:

We have reviewed the accompanying interim statement of financial position of Saudi Reinsurance Company (A Saudi Joint Stock Company) (the "Company") as at 31 December 2013 and the related interim statements of reinsurance operations and accumulated surplus, shareholders' operations and shareholders' comprehensive operations for the three month period and the year ended and the interim statements of changes in shareholders' equity, reinsurance operations' cash flows and shareholders' cash flows for the year then ended and the related notes which form an integral part of these interim condensed financial statements. These interim condensed financial statements are the responsibility of the Company's management and have been prepared by them in accordance with International Accounting Standard - 34 "Interim Financial Reporting" (IAS 34) and submitted to us together with all the information and explanations which we required. We conducted our limited review in accordance with the Standard on Review of Interim Financial Reporting issued by the Saudi Organization for Certified Public Accountants ("SOCPA"). A limited review consists principally of applying analytical procedures to financial data and information and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

CONCLUSION:

Based on our limited review, we are not aware of any material modifications that should be made to the accompanying interim condensed financial statements for them to be in conformity with IAS 34.

EMPHASIS OF A MATTER:

We draw attention to the fact that these interim condensed financial statements are prepared in accordance with IAS 34 and not in accordance with the Standard on Interim Financial Reporting issued by SOCPA.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) AT 31 DECEMBER 2013

1. ORGANIZATION AND PRINCIPAL ACTIVITIES

Saudi Reinsurance Company (the "Company") is a Saudi Joint Stock Company registered in the Kingdom of Saudi Arabia under commercial registration number 1010250125 dated 12 Jumad Al-Awal 1429H (corresponding to 17 May 2008). The address of the Company's registered office is at P.O. Box 300259, Riyadh 11372, 6th Floor, Bahrain Towers, King Fahd Road, Riyadh, and Kingdom of Saudi Arabia.

The objective of the Company is to transact cooperative reinsurance and related activities inside and outside the Kingdom of Saudi Arabia.

2. BASIS OF PREPARATION

The interim condensed financial statements for the three month period and year ended 31 December 2013 have been prepared in accordance with International Accounting Standard (IAS 34) – "Interim Financial Reporting".

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's financial statements as at 31 December 2012.

In management's opinion, the interim condensed financial statements reflect all adjustments (which include normal recurring adjustments) necessary to present fairly the results of operations for the interim periods presented. The Company's interim results may not be indicative of its annual results.

3. NEW STANDARDS, AMENDMENTS TO STANDARDS AND INTERPRETATIONS

The accounting and risk management policies used in the preparation of these interim condensed financial statements are consistent with those used in the preparation of the annual financial statements for the year ended 31 December 2012 except for the adoption of the following new standards and other amendments to existing standards mentioned below:

IAS 1 Presentation of Items of Other Comprehensive Income - Amendments to IAS 1

The amendments to IAS 1 introduce a grouping of items presented in other comprehensive income (OCI). Items that could be reclassified (or recycled) to profit or loss at a future point in time (e.g., net gain on hedge of net investment, exchange differences on translation of foreign operations, net movement on cash flow hedges and net loss or gain on available-for-sale financial assets) now have to be presented separately from items that will never be reclassified (e.g., actuarial gains and losses on defined benefit plans and revaluation of land and buildings). The amendment affected presentation only and had no impact on the Company's financial position or performance.

IAS 1 Clarification of the requirement for comparative information (Amendment)

The amendment to IAS 1 clarifies the difference between voluntary additional comparative information and the minimum required comparative information. An entity must include comparative information in the related notes to the financial statements when it voluntarily provides comparative information beyond the minimum required comparative period. The additional voluntarily comparative information does not need to be presented in a complete set of financial statements An opening statement of financial position (known as the 'third balance sheet') must be presented when an entity applies an accounting policy retrospectively, makes retrospective restatements, or reclassifies items in its financial statements, provided any of those changes has a material effect on the statement of financial position at the beginning of the preceding period. The amendment clarifies that a third balance sheet does not have to be accompanied by comparative information in the related notes. Under IAS 34, the minimum items required for interim condensed financial statements do not include a third balance sheet.

IAS 34 Interim financial reporting and segment information for total assets and liabilities (Amendment)

The amendment clarifies the requirements in IAS 34 relating to segment information for total assets and liabilities for each reportable segment to enhance consistency with the requirements in IFRS 8 Operating Segments. Total assets and liabilities for a reportable segment need to be disclosed only when the amounts are regularly provided to the chief operating decision maker and there has been a material change in the total amount disclosed in the entity's previous annual financial statements for that reportable segment. The Company provides this disclosure as total segment assets were reported to the chief operating decision maker.

IFRS 7 Financial Instruments: Disclosures Offsetting Financial Assets and Financial Liabilities - Amendments to IFRS 7

The amendment requires an entity to disclose information about rights to set-off financial instruments and related arrangements (e.g., collateral agreements). The disclosures would provide users with information that is useful in evaluating the effect of netting arrangements on an entity's financial position. The new disclosures are required for all recognised financial instruments that are set off in accordance with IAS 32. The disclosures also apply to recognised financial instruments that are subject to an enforceable master netting arrangement or similar agreement, irrespective of whether the financial instruments are set off in accordance with IAS 32. As the Company is not setting off financial instruments in accordance with IAS 32 and does not have relevant offsetting arrangements, the amendment does not have an impact on the Company.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued) AT 31 DECEMBER 2013

3. NEW STANDARDS, AMENDMENTS TO STANDARDS AND INTERPRETATIONS (continued)

IFRS 13 Fair Value Measurement

IFRS 13 establishes a single source of guidance under IFRS for all fair value measurements. IFRS 13 does not change when an entity is required to use fair value, but rather provides guidance on how to measure fair value under IFRS when fair value is required or permitted. The application of IFRS 13 has not materially impacted the fair value measurements carried out by the Company

IFRS 13 also requires specific disclosures on fair values, some of which replace existing disclosure requirements in other standards, including IFRS 7 Financial Instruments: Disclosures. Some of these disclosures are specifically required for financial instruments by IAS 34.16A (j), thereby affecting the interim condensed financial statements period. The Company provides these disclosures in Note 9.

New amendments and standards issued but not yet effective:

The Company has chosen not to early adopt the following new standard and amendments to the International Financial Reporting Standards

IFRS 9 Financial Instruments: Classification and Measurement

IFRS 9, as issued, reflects the first phase of the IASB's work on the replacement of IAS 39 and applies to classification and measurement of financial assets and financial liabilities as defined in IAS 39. The standard was initially effective for annual periods beginning on or after 1 January 2013, but Amendments to IFRS 9, Mandatory Effective Date of IFRS 9 and Transition Disclosures, issued in December 2011, has been deferred till indefinite period of time by the IASB. In subsequent phases, the IASB will address hedge accounting and impairment of financial assets. The adoption of the first phase of IFRS 9 will have an effect on the classification and measurement of the Company's financial assets, but will not have an impact on classification and measurements of financial liabilities. The Company will quantify the effect in conjunction with the other phases, when the final standard including all phases is issued.

IAS 32 Offsetting Financial Assets and Financial Liabilities — Amendments to IAS 32

These amendments clarify the meaning of "currently has a legally enforceable right to set-off". The amendments also clarify the application of the IAS 32 offsetting criteria to settlement systems (such as central clearing house systems) which apply gross settlement mechanisms that are not simultaneous. These amendments are not expected to impact the Company's financial position or performance and become effective for annual periods beginning on or after 1 January 2014.

4. TECHNICAL RESERVES

Based on recommendation from external actuary of the Company and insurance regulator, the management of the Company has changed its basis to determine the technical reserves due to availability of new information and after considering longer historical experience. This resulted in recording of additional reserves for unearned premium, incurred but not reported claims and premium deficiency of SAR25 million, SAR45 million and SAR 26 million respectively.

7. TIME DEPOSITS

Time deposits represent deposits with banks with investment grade credit ratings and have maturity period of more than three months from the date of original placement. Such deposits earn special commission at an average effective commission rate of 2.5% per annum (31 December 2012: 2.3% per annum).

8. STATUTORY DEPOSIT

The Company has deposited an amount of SR 100 million (31 December 2012: SR 100 million) with a local bank representing the statutory deposit of 10% of its paid-up capital as required by the Implementing Regulations of the "Law On Supervision of Cooperative Insurance Companies" issued by the Saudi Arabian Monetary Agency (SAMA). This statutory deposit cannot be withdrawn without the consent of the SAMA.

9. INVESTMENTS HELD AT FAIR VALUE THROUGH INCOME STATEMENT

Determination of fair value and fair values hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued) AT 31 DECEMBER 2013

9. INVESTMENTS HELD AT FAIR VALUE THROUGH INCOME STATEMENT (CONTINUED)

As at 31 December 2013 and 31 December 2012, all financial instruments under reinsurance operations which are measured at fair value are Level 1 instruments. The following table shows an analysis of financial instruments under shareholders' operations measured at fair value by level of the fair value hierarchy:

		31 December 2013	Unaudited)

14. BASIC AND DILUTED (LOSS) EARNINGS PER SHARE

Basic and diluted (loss) earnings per share for the three months period and year ended 31 December 2013 and 2012 have been calculated by dividing net (loss) income for the period / year by the weighted average number of ordinary issued and outstanding shares at the end of the periods.

15. FAIR VALUE

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management believe that the carrying value of all financial assets and liabilities, other than those disclosed in note 9 above, approximate their fair values at the interim condensed financial statements date.

16. APPROVAL OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

These interim condensed financial statements have been approved by the Board of Directors on 17 Rabi Awal 1435H corresponding to 18 January 2014.
