In addition to the above-mentioned standards, the following standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's condensed financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective. Further, the Company has chosen not to early adopt the amendments and revisions to the International Financial Reporting Standards, which have been published and are mandatory for compliance for the Company with effect from future dates.

IFRS 9 Financial Instruments

IFRS 9, as issued, reflects the first phase of the IASB's work though the adoption date is subject to the recently issued Exposure Draft on the replacement of IAS 39 and applies to classification and measurement of financial assets and liabilities as defined in IAS 39. The standard was initially effective for annual periods beginning on or after 1 January 2013, but Amendments to IFRS 9 Mandatory Effective Date of IFRS 9 and Transition Disclosures, issued in December 2011, moved the mandatory effective date to 1 January 2015.

However, on 19 November 2013, the IASB issued IFRS 9 Financial Instruments (Hedge Accounting and amendments to IFRS 9) amending IFRS 9 to include the new general hedge accounting model. In its February 2014 meeting, the IASB tentatively decided that IFRS 9 would be mandatorily effective for years ending on or after 31 December 2018.

Disclosure initiative (Amendments to IAS 7)

IAS 7 Statement of Cash flows has been amended as part of the IASB's broader disclosure initiative to improve presentation and disclosure in financial statements. It is effective for annual periods beginning on or after 1 January 2017.

The following new or amended standards are not expected to have significant impact on the financial statements.

The Company's management believe that the carrying value of all financial assets and liabilities, other than those disclosed in note 7, approximate their fair values at the interim condensed financial statements.
