Financial Strength Rating

Reflecting Competitive Advantages and Solid Financial Position

A- Stable

S&P noted that Saudi Re has continued to strengthen its **competitive position via profitable business growth and diversification in recent years, thanks to local and international expansion**. At the same time, Saudi Re's exposure to catastrophe and other large risks is **relatively modest and the Company maintains capital adequacy above the 'AAA' level in S&P's model**.

As per S&P, the stable outlook reflects that Saudi Re will maintain excellent **capital adequacy and continue to profitably expand and diversify its business over the next two years**.

Furthermore, S&P views the **governance practices at Saudi Re as effective and appropriate**, and also **regards the consistency in strategy and management's expertise** and experience as a benefit to the Company.

A2 Stable, Upgraded in April 2025

The A2 IFSR of Saudi Re reflects :

- **Strengthened business and financial profiles** following the **Public Investment Fund's acquisition** of a minority stake in Saudi Re and **the implementation of enhanced domestic cession regulations**, which Saudi Re is well positioned to take advantage of to support its market position and growth prospects in Saudi Arabia.
- Expectation that Saudi Re will continue to **benefit from ongoing growth and diversification of the Saudi economy** and government initiatives aimed at **fostering growth in the local insurance industry**.
- Despite potential challenges arising from **macroeconomic uncertainty and financial markets volatility**, we expect Saudi Re's **profitability to remain good over the next 12-18 months**, supported by both **underwriting performance and investment returns**. Its good **geographical mix** along with the **development of new products** will **positively contribute to the continued diversification, mitigating potential challenges**.

Saudi Re Growth Journey

2024 marked the achievement of key milestones in our focused and forward-looking execution of the Strategy Toward 2028

Value Creation for Shareholders

- Record breaking performance in 2024 driven by **underwriting** and **investment**, resulted in profits reaching SAR475 million and **ROE of 41%** and **EPS of SAR 5.33**.
- A significant year marked by the successful conclusion of two strategic transactions **capital increase by 30% through subscription by the PIF** and **monetization of Probitas investment** with a deal value at **6x initial investment** with **IRR of 29%**.
- Board recommendation to **increase Company's share capital to SAR1.698 Billion** through **the issuance of bonus shares** to shareholders.

Outstanding Growth Trajectory

- Net Profit After Tax surged by **282%** to **SAR 474.8 million**, reflecting a robust **60% CAGR** over the 2019–2024 period, underscoring consistent and profitable growth.
- Intensified engagement with clients and partners drove robust growth in written premiums, **resulting in a 48% year-over-year increase** and sustaining a strong **CAGR of 24%** from 2019 to 2024.
- Driving innovation and growth in the insurance market through advanced solutions—such as **Employer's Default** and **Surety Bonds**—resulting in a sustainable and profitable book of business.

PIF Synergies

- Partnering with the PIF enhances our **market leadership**, extends our **international reach**, improves **financial stability**, and positively impact our credit rating.
- PIF investment is expected to **amplify the insurance and reinsurance sector's economic impact**. Product **Surety Insurance Bond Pool** marked the inaugural **outcome of the collaboration with PIF**.

Financial Strength

- "A2" rating from Moody's** affirms Saudi Re's financial strength and competitive position, and reinforces confidence in Saudi Re's credit worthiness, financial standing and strategic direction
- Credit rating at **A2 by Moody's** and **A- by S&P** with **stable outlook** a **testament to the company's financial strength and long-term stability**, following a sustained record of **financial soundness and resilience** despite fluctuations in the market.

2028 Strategy

Saudi Re's strategy will make the best of a very large domestic opportunity, combined with sufficient international exposure to drive diversification across **2 pillars**

Capitalizing on the growth potential of the Saudi economy and leveraging our advantageous presence in the Kingdom to

- Supporting Saudi vision 2030, strengthening and de-risking businesses and key projects in KSA
- Play an anchor role in increased domestic market retention and absorption of risks
- Drive innovation to better capture new and emerging risks
- Aiming to grow the book of business by 2.5x
- Investment Assets would continue to grow in line with business growth and provide top quartile performance relative to peers.

Maintaining a well-balanced portfolio with healthy composition of local and international business by

- Becoming a prominent exporter of reinsurance capacity through the prudent underwriting of international risks
- Harnessing existing global reach to advance into new markets and vital capabilities

Vision

To evolve into a large and diversified reinsurer contributing to the growth of our economy aiming to be ranked among the top 50 global reinsurers

Global reinsurance sector is projected to remain stable

Tailwinds

- Expected **strong operating profits**, aiding reinsurers in earning their cost of capital in 2024-2025.
- **Robust capitalization redundant** and expected to remain so through year-end 2024, providing a cushion for potential stresses.
- **Favorable reinsurance pricing**, supported by terms and conditions in short-tail lines, overall underwriting discipline, and increasing reinsurance demand.
- **Strong investment income** due to high bond yields.
- **Capacity Grows but Underwriting Discipline Remains.** *AM Best*
- **Promising earnings prospects.** *S&P*
- **Reinsurer returns to remain strong through 2026.** *Guy Carpenter*
- **Positive outlook for 2025.** *AON*
- **Reinsurer Profits to Be Resilient in 2025 Despite Lower Renewal Prices.** *Fitch Rating*

Headwinds

- Elevated **natural catastrophe insured losses** influenced by inflation, urbanization, and climate change.
- **Economic inflation** and social inflationary concerns, as reflected in adverse loss cost trends in certain U.S. casualty lines.
- Potential **financial market volatility and geopolitical tensions** affecting both sides of the balance sheet.
- Relatively **high cost of capital.**

Saudi Re's Capital Increase Recommendation

Overview

On March 16, 2025, Saudi Re's Board recommended a capital increase of **46.6%**, raising the capital from **SAR 1.1583 billion** to **SAR 1.6981 billion**,

Benefits

- Support the Company's growth and strengthen its financial position.

Distribution Detail
