Saudi Re

Anchored for Ambition

Building on our foundation as the Kingdom's National Champion, Saudi Re has evolved into the largest and one of the fastest-growing reinsurers in the region. Our growth trajectory, defined by "Strategy Towards 2028," is a commitment to the ambitions of Saudi Vision 2030. Driven by a strengthened capital base and enhanced credit ratings, this transformative roadmap will elevate Saudi Re into the ranks of the top 50 global reinsurers.

Saudi Re has proven a strong ability to outperform its strategic ambition

Capitalizing on the growth potential of the Saudi economy and leveraging our advantageous presence in the Kingdom to

- Supporting Saudi vision 2030, strengthening and de-risking businesses and key projects in KSA
- Play an anchor role in increased domestic market retention and absorption of risks
- Drive innovation to better capture new and emerging risks
- Aiming to grow the book of business 3.3X (increase from 2.5X) by 2028 (2023 GWP based)
- Investment Assets would continue to grow in line with business growth and provide top quartile performance relative to peers.

Maintaining a well-balanced portfolio with healthy composition of local and international business by

- Becoming a prominent exporter of reinsurance capacity through the prudent underwriting of international risks
- Harnessing existing global reach to advance into new markets and vital capabilities

Vision

To evolve into a large and diversified reinsurer contributing to the growth of our economy aiming to be ranked among the top 50 global reinsurers

Financial Strength Rating

Reflecting Competitive Advantages and Solid Financial Position

A-, Positive Outlook

The financial rating of Saudi Re reflects:

- **Strong competitiveness** over the past two years, fueled by the exponential growth in the top line
- **Superior underwriting performance**, outperforming many of the Company regional and international peers.
- **Maintaining sufficient capital adequacy** buffers above the 99.99% confidence level
- S&P considers Saudi Re a **government-related entity**, given PIF is a significant minority shareholder, and considering Saudi Re's role as a national reinsurer that helps strengthen the Saudi insurance sector, support economic growth, and expand PIF's reach in the financial services industry

* S&P report on Saudi Re dated 26th November 2025 > [link to the Announcement](#)

A2 Stable, Upgraded in April 2025

The A2 IFSR of Saudi Re reflects :

- **Strengthened business and financial profiles** following the **Public Investment Fund's acquisition** of a minority stake in Saudi Re and **the implementation of enhanced domestic cession regulations**, which Saudi Re is well positioned to take advantage of to support its market position and growth prospects in Saudi Arabia.
- Expectation that Saudi Re will continue to **benefit from ongoing growth and diversification of the Saudi economy** and government initiatives aimed at **fostering growth in the local insurance industry**.
- Despite potential challenges arising from **macroeconomic uncertainty and financial markets volatility**, we expect Saudi Re's **profitability to remain good over the next 12-18 months**, supported by both **underwriting performance and investment returns**. Its good **geographical mix** along with the **development of new products** will **positively contribute to the continued diversification, mitigating potential challenges**
